SYART KAMBERI

Passionate and dedicated Web Developer with a solid foundation in web development technologies. At 17 years old, I have already garnered valuable experience through my employment and self-driven projects. My ambition is to continually grow as a developer and contribute to innovative web solutions. I have a proven track record of mastering new skills and technologies, evident in my proficiency with HTML, CSS, JavaScript, Node.js, Express.js and EJS. My goals include further expanding my knowledge base, collaborating with other talented developers, and eventually leading complex projects. I am looking for opportunities where I can leverage my skills, contribute to impactful projects, and continue my journey of becoming a top-tier developer.
